

# Starlight Academy host Fabulous Fit & Feminine Extravaganza...

Lianne Pendergast and Becky Campey of Blush Dance organised the evening to raise funds for Breast Cancer Care. Lianne works with women of all ages, predominantly on boosting self esteem and confidence, through coaching, NLP, hypnosis, health, fitness and image. Inspiration for the evening came from the energy and enthusiasm of her students to perform on stage and showcase their dancing and modelling skills in a variety of performances.

The performers spoke about their experience, Toni Steel, said, 'It was a secret dream to perform Burlesque, I feel fabulous and feminine, the opportunity has boosted my confidence' Jo Ann Forrest said, 'I can't believe all we have achieved in 6 short weeks, it was a fantastic experience, a great night.'

With the support and sponsorship of Blush Dance along with help from local shops and boutiques; SOS, Bramhall, Kiku, Manchester and Alexandra Worsley, Bramhall, the evening was a sexy soiree of live entertainment fused with the latest in foxy feminine fashion!

The evening was a huge success with just over £600 raised for Breast Cancer Care. Lianne chose to support the charity as breast cancer is now the most common cancer among women in the UK. Sue Pendergast, a Burlesque Performer and volunteer on the night, is an employee at Lloyd's TSB, who matched £500 of the money she raised.
